EXPERIENCE

ASSISTANT DESIGNER

Randa Accessories (June 2019- July 2020)

- + Oversaw the design and development for men's wallets and women's belts for brands such as Tommy Hilfiger, Haggard, Izod, Guess, and private labels for Kohl's, Macy's, & Dick's Sporting Goods.
- + Selected materials, created tech packs, developed prints, and collaborated with clients. Maintained hardware specs in PLM.
- + Worked on bringing innovation to traditional accessories such as belts and wallets through innovation in material, functionality, and sustainability.
- + Worked with other categories within the company (packaging, footwear, etc) to make sure our presentations for clients was cohesive and accurate.

FREELANCE ASSISTANT DESIGNER

Claire's, INC | ICING (June 2018- January 2019)

- + Assisted in the design of handbags and soft accessories including socks, hats, scarves, and apparel while overseeing the department for small leather goods.
- + Created CADs, linesheets, and reviewed product
- + Developed and designed production artwork while also assisting in print design.
- + Communicated daily with overseas vendors and team members.
